CHECKLISTS

General Report Comments: Upon arrival I contacted the complainant and he came to show me the property where the puppy is chained. The house does not have a number. Also the house next to it there is no numbers. I did not see the puppy. I also did not hear the puppy barking or crying. One of the neighbours, Snowy Masopa, told me that the house number is 107 and the owners are at work. She told me she had not seen the puppy. I had to leave a warning note for the owner to contact me.
