CONFINEMENT OF ANIMALS Static Chain - inadequate length **

General Report Comments: Upon my arrival I met with the security guard by the name of Mr Mkhize and I informed him about the nature of the complain. When I required with him I was informed that they no longer keep security dogs on the premise. I requested to check the premises for myself and Mr Mkhize called his colleague Mr Gumbe to escort me. The wasnt any dog inside a cage and the othe cage has been demolished. I called the head office and spoke to Mr Baxa to ask if they still use dog for security at Rietfontein, I was informed by Mr Baxa they no longer keep any securirty dogs there maybe one of the tenants or runners kept temporarily. I told Mr Baxa telephonically the best thing they must demolish the cage in order the must not be any confusion moving forward. He said my message will be escalated to the operation manager:- Thabang and they will demolish the cage. Follow up will be conducted on the 04/03/2025 to check wether the cage have been demolished.
