CHECKLISTS

General Report Comments: Upon arrival Caroline was found and she told me the dog is at Bryan park veterinary clinic. She took the dog to the vet on Saturday. She is not the owner of the dog she was helping her neighbour. The neighbour's name Zibusiso Ncube. I spoke to Zibusiso and he complained that Caroline took the dog to the vet without their concern and now charged them a lot. I contacted the Bryan park vet clinic and they confirmed that the dog is at their clinic.
