General Report Comments: Upon arrival the cat was roaming freely inside the property. The cat was not locked in a dark room. The owner had to show me that the cat sleep inside a toilet. Which is not a good place to keep a cat locked at night. He gave the kitten some milk and I had to educate him that he is not supposed to feed some milk. He had to surrender the cat to the Sandton SPCA . i asked him were he got the cat and he told me he got the in Alexandra . He did not buy it he got it from some one at the shop in Alexandra whom his landlord did not want cat at the shop.He does not know the address in Alexandra. He did not get it from his neighbour. The neighbour is Wynberg Home Affairs and the other neighbour s a cll centre were animals are not allowed. The only cats which they see are some few feral cats.
