CHECKLISTS

General Report Comments: Upon arrival the security guard named Penuel told me that there is a guy who is looking after the dogs. He works during the day and comes late at around 20h00 . He sleeps in the property and goes to work at 06h00. He gave me the contact details of the owner of the dogs. I called her and she confirmed that there is someone looking after the dogs. She also confirmed that she sees her feeding and cleaning for them on a camera. She will show me the footage on the 12 March 2025 which tomorrow.at 15:30 when she comes back from Cape town. The estate manager Sibonelo also phoned me and told me that there is someone who looks after the dogs. He also told me that it came to his attention that the dogs dont have someone looking after them and he did his investigation. He said there is always some dispute the 2 neighbours.
