General Report Comments: Upon arrival the dog appeared to be in good condition. The dog was not a Pitbull. Its a cross breed. The owner of the dog told that there is a lady who helps him with the food. She comes and drop the food to him. The dog sleeps inside the room because it does not want to sleep inside the zozo hut. After doing the complain, i phoned the complainant and she told me she is the one who is helping him and she promised to buy him a kennel.
