CHECKLISTS

General Report Comments: Upon arrival the dog was no longer in the area where it was chained. I had to hoot and a minor girl came to the gate and she told me her parents were at work. They have moved the dog to the back. I could not get the access to the property because she is a minor and she is not allowed to give access to the strangers. I had to leave a second warning.

ACTIONS

Warning Issued Y 2759

REPORT OUTCOMES

Follow-up inspection to be conducted 2025-04-12
