General Report Comments: Upon arrival the dog was at the front property by the parking space. The space is big enough to keep a dog. The reason for keeping the dog there was because the gardener was cutting the grass and its afraid of the lawnmower making noise. The owner denied abusing the dog and hitting it. He said his dog is a husky and sometimes it barks or howls a lot. No welfare concerns were observed. No injuries observed. The dog didn't show any signs that it is afraid of the owner
