Type:	CAT TRAP
Follow-Up Date:	2025-07-07
Comments:	I went to the preschool and met Lawrence, who then, along with me, surveyed the school grounds for the dog and we saw the dog running out of the bushes after s/he got a fright from us and went out of the school. Because I had a dog trap with me, I laid a trap for the dog in an attempt to capture it. To follow up on Monday
