General Report Comments: Along with the team on the scene, ADT, Blue Hawks and victim's employer we went to speak to the owner of the dogs. We explained the incident that just occurred at 14 Leicester Road, Kensington and the legal implication it had caused by her dogs. The owner understood this reason after also noticing that her dogs were covered in blood stains. I managed to convince her to surrender the dogs as I advised her of their edge to repeat the same incident because they may have enjoyed thrill of their gruesome attack. The 2 out 3 dogs were surrendered to be humanely put down. The remainder dog was not a Pitbull and appeared to be well-tempered
