CHECKLISTS

General Report Comments: There were no longer live chickens found at the outlet when I peeked though the window in the front and at the back of te shop. The cages were all clear of any chickens. I spoek to a few of Mr Emmanuel's fellow tenants who alleged that they closed down the business. I phoned the onwer, Mr Emmanuels to find out what were his plans since we last spoke. He said he gave away all the chickens to friends and family. He said he wont be going into the same business anymore whilst I discouraged him to venture into it. No more live chickens being sold in this shop unless new info comes to liight. Matter concluded.
