Comments:	I spoke to both Col. Akoo and Serg Mashishi, who said the complainant was at the station the other day, and she was so emotional, saying the SPCA has done nothing to help with the situation as per their mandate. I've informed the officers to conduct their own investigation by obtaining the suspect's statement and any relevant evidence to hand it over to the prosecutor. I also guided them on offences relating to suspicion, by providing them with the applicable legislation: the Animal Matters Amendment Act 42 of 1993. Serg. Mashishi said she will contact me to accompany her to the house to obtain the suspect's statement on the 26th September 2025
