General Report Comments: The Puppy Palace is a dog boarding and day care facility for local Sandton residents owning dogs. The facility operates at a residential house, believed to have small business/enterprise rights. During my inspection, I inspected approximately 50 dogs placed at this facility for either boarding or day care. 42 for boarding and 8 for day care. The dogs would get a homely experience away from home by sleeping indoors in the house. Shadecloths were constructed outside, and sleeping on astroturf floors. No offences in respect of animals found. Only municipal by-laws infringement. See recommendations sent
