General Report Comments: The new occupant granted me access to the house, where I found the moving occupants' dog, together with their belongings. Their dog was an adult, black, spayed female, Labradoodle named "Bella". Both owners were unreachable when I gave them a call. Mrs Mgadi stated that they did not want the dog anymore, and the dog can be given away. Because she was willing to sign over the dog on their behalf, the dog was signed over as abandoned. The dog was is in acceptable physical condition and will remain in our custody for the pound period pending owner's claim and will become our property in due course.
