CHECKLISTS

General Report Comments: I spoke to the garden worker, Lyson, when I got to the house through the fence. He stated that he does not have the keys/remote to allow me in while the owners were still out. He gave the owner's contact details, and to my surprise, I still had their phone number from my previous visit. He said he will be home in 45 minutes. I told him that I will still be in the area by time he gets home.

ACTIONS

OTHER Made an appointment with the owner for later on over the phone
