General Report Comments: I met the owner, Mr Godwin Mona, later on, who allowed me entry to his house. He still owns a 2-year-old black-tri female Cross Jack Russell that was in acceptable physical condition. Water, bedding, shelter and food were readily available for the dog. He stated that his dog was barking at the firework display at the local Chinatown Market, which kept the dog anxious. He said that while also presenting, he got the calming medication for the dog to keep the dog calm. No offences in respect of animals was found. Matter concluded
