Comments:	I received a call from the owner, Holly Crystal, saying she was pulled out of court by someone from Woodrock Animal Rescue, who said they would find new homes for the dogs because the SPCA would put the dogs down. She got all worked up, even when I explained that she was welcome to take the dogs anywhere, as long as she would be willing to give me the intended addresses so I could ensure their well-being. She did not want to speak to me and hung up the phone. I will go to her house to find out her plan
