General Report Comments: Upon my arrival, I met with Gift, who works at the shop. I introduced myself and informed him of the reason for my inspection. Gift advised that the kitten does not belong to him or to the shop. He stated that they only feed the kitten leftover food from the shop on occasion.

I informed Gift that since the kitten does not belong to them, I would be removing it. I further advised that if the owner wishes to claim the kitten, they must report to the Sandton SPCA to claim it as a stray. Should no owner come forward within seven (7) days the Sandton SPCA will deal with the kitten at its discretion.
