General Report Comments: Upon arrival, I met with Nsika, the complainant and son of the dog owner. I introduced myself, and he granted me access to the property to inspect the dogs. When I asked about the owner, Nsika informed me that his mother had been away for 4 days and that he was unwilling to look after the dogs anymore..
I suggested that the dogs be surrendered to me, and Nsika contacted his mother to inform her that the dogs would be taken to the SPCA. The mother declined to authorize the surrender, stating over the phone that she would be returning soon to take care of her dogs.
Following this, I issued a formal warning and instructed Nsika to deliver the warning to his mother upon her return.
