Comments:	I went to both houses 63 and 65 17th Street, Sydenham. There were still no dogs at house no 65 when I found a group of renting Zimbabwean residents. At number 63 is reportedly doesn't have any dogs according to the street security guard who stationed right across the house. The complainant was phoned answered at first but couldn't hear me when I kept calling but they never answered. I left a voice message
