General Report Comments: Upon arrival the cat appeared to be sick and underweight. The owner did agree that the cat is sick and is under treatment. The cat is getting treatment at Fourways family vet. The cat was diagnosed with kidney failure. He had to show me the medication which the cat is taking . i had to contact the veterinary and he agree d that the cat named Jewel is their patient and she will send the vet report. The cat comes once a month for check up. The vet did send a vet report which confirms that indeed the cat is under treatment. The 2 dogs appeared to be in good conditon . No welfare concerns were obserfved.
