CHECKLISTS

General Report Comments: Follow up Inspection, Upon our arrival, we met with Mr. Hein Henning. We requested access to the containers and to meet with the owner. We were informed that the owner was unavailable due to the passing of his mother yesterday . However he had provided Mr. Henning with the keys to allow us to proceed with the inspection.

The inspection findings are as follows:

Container 6: Contained working materials and old items. No snakes were found.

Container 7: Contained garden tools and miscellaneous old items. No snakes were found.

1st Wooden Wendy House: Contained old working materials and a stove. No snakes were found.

2nd Wooden Wendy House: Contained old materials and cleaning products. No snakes were found.

Education Centre: Contained study materials and a plastic snake skeleton for demonstration purposes. No live snakes were found. We did not see live feeding during our inspection and Mr Hein Menning did not demonstrate cervical dislocation method. We were informed the owner must demonstrate to us but currently unavaible.

Dr. Baloyi from GDARD was present during our second inspection to conduct the assessment and issued the compliance certificates for PAPA licenses. Please see the attached documentation.

ACTIONS

OTHER GDARD,Dr Baloyi renew their PAPA licence.
