General Report Comments: Upon my arrival, I met with Mr. E. Mohammed and introduced myself as Inspector Xolane from the Sandton SPCA. I informed him that I am currently conducting an investigation into the poisoning of dogs in the area, and that it had been reported that his dog was among those affected .

Mr. Mohammed confirmed that his dog was poisoned on 17 February 2026. The Husky unfortunately died, while the other dog survived as it did not consume the poison.

He further stated that a suspect had entered their home and stolen various items. A case was subsequently opened at Yeoville SAPS under case number 149/02/2026. The investigating officer is Sgt. I.M. Luvhimbi, who can be contacted at 011 487 590.
