CHECKLISTS

General Report Comments: Upon my arrival, I met with Mr. Trevon Fowler and introduced myself as Inspector Xolane from the Sandton SPCA. I informed him that I am currently conducting an investigation into the poisoning of dogs in the area and that it had been reported that his dog was among those affected .

Mr. Fowler confirmed that his daughter's dog, a 2-year-old male (XGDS), was poisoned on 23 February 2026 and died immediately. They were unable to identify the type of poison used. The dog was subsequently taken for cremation.

He further stated that the dog had been adopted from the Randburg SPCA. The family no longer has any pets in the yard and expressed that they were shocked by the incident. Case opened
