CHECKLISTS

General Report Comments: I was informed by Mr. Zhang Han that a client had left birds in a cage at the store while purchasing larger cages. He stated that the shop does not sell animals and that there are currently no birds belonging to the store. I conducted an inspection and could not find any birds inside the shop at the time of my visit.

I asked Mr. Zhang Han whether he had the client's contact details but he informed me that he does not as it was his first time seeing the client. I was also unable to verify the size of the cage or directly identify the birds. Based on Mr. Zhang Han's description of the birds as small and yellow they may be lovebirds.
