General Report Comments: Upon arrival at the property, I met with the owner, Mr. Santoh Devrag and introduced myself. I informed him of the nature of the complaint which alleged that his dogs were suffering from severe diarrhea.

Mr. Devrag stated that his dogs do not have severe diarrhea. He explained that he had recently been overseas on vacation in Mauritius and had left the dogs in the care of his helper and a family member. He indicated that he had not been made aware of any such condition affecting the animals during his absence.

Based on my observation the husky named Bella and the other dogs appeared to be in good health. I did not observe any signs indicative of diarrhea at the time of the inspection. Mr. Devrag reiterated that the dogs were properly cared for while he was overseas. Dogs appeared to be living a good lifestyle and happy.
