General Report Comments: 2 dogs were found in good condition. They were roaming freely in the property. They appeared to be in good condition. The owner told me that the dog had to bite the complainant because he went into the room through the window and attacked his is mom who is the wife of the complainant and the wife screamed . The complainant again jumped out through the window and the dog had to bite thinking that its a stranger. i asked the owner to surrender the dogs and she told me she cant because they protect her from his husband who keeps abusing her. She has a protection order against him and they are divorcing.
