|---------------------------------|-----------------------------------------------------------------------------------------------|
| WATER AVAILABLE                 | Yes                                                                                           |
| ADEQUATE SHELTER AVAILABLE      | Yes                                                                                           |
| ADEQUATE SPACE AVAILABLE        | Yes                                                                                           |
| CLEAN LIVING ENVIRONMENT        | Yes                                                                                           |
| ANIMALS IN GOOD CONDITION       | Yes                                                                                           |
| VETERINARY PROBLEMS / HEALTH CO | No                                                                                            |
| CONFINEMENT OF ANIMALS          | Static Chain - adequate length      Kid chained the dog without adults knowing or recognising |

General Report Comments: 2 dogs were found in the property and they appeared to be in good condition. The only concern was that the collie was chained with a leash and the parents did not know and I had to educate the child and the parents not to do so
