General Report Comments: One dog was found in the property. The dog had adequate shelter and water. The concern was that the husky was matted and needed some grooming. The owner told me he had 2 huskies not 5 and the other one was euthanised today because it was old and suffering and it was crying a lot and the neighbours were also complaining. He had to show the bill which she paid at Oaklands veterinary hospital. I had to give a warning to take her dog for grooming.
