General Report Comments: Upon arrival about 6 cats were observed. Theresa blair the owner of fiance of the owner of the property tol me that there are abut 20 cats. The cats appeared to be ferals because when i went near them they ran away.. Theresa told me that she has never trapped the cat since the owner has gone. She told me that she does not feed the cats because they are ferl and she is scared that if she feeds them they will multiply. She also told me that she gave extra 7 days to get all her cats . She told me she will be happy if the Sandton SPCA can come and remove the cats . i made arrangement with her to start trapping on Monday 22 June 2026 and i will be feeding them during the weekend. The chickens appeared to be in good condition. They have shelter, food and water. The geese also appeared to be in good condition.
