General Report Comments: u[pon arrival 4 dogs and 5 puppies were found in the property. The dogs appeared to be in good condition. Khay told me that sometimes its puppies which cry for the mother or when the dog goes into the front yard and the gate closes the dog will howl for the other dogs when its alone in the front yard. I educated the son regarding sterilisation and he told me that the father is the one who decides whats happens with the dogs and he will speak with him.
