General Report Comments: 2 dogs were found in the property. Roxy appeared to be underweight and and I asked the owner and she told me she got the dog when it was extremely underweight and now it has improved a lot. She had to show me the the pictures when the dog came and definitely the dog has improved a lot. The other dog appeared to be in good condition. The has already closed were puppy comes out. I educated her regarding sterilisation and she told me she not interested. Will do a follow up in 2weeks to see if there is change.
