General Report Comments: The kittens were found in good condition. The owner told me there were 8 weeks old . They pellets were provided to the cats and they at the food.The space was adequate for the cats and the cages were clean. The cats also appeared to be in good condition. The birds appeared to be in good condition and the cages were clean . Food was also provided. The cages were of fair size. i asked the owner the reason of not putting it in an aviary which is outside and he told me its cold and they get sick. The racing pigeons were kept in an aviary. The snakes and the bearded dragon were kept in a cage. The fish were kept in the tanks which appeared to be in good condition. Even though as an SPCA organisationwe are opposed to the pets kept in a pet shop .
