Comment:
Were Animals Seen on the Property: No
Relationship to Property Owner: Owner
Captured By: WARREN SIZIBA 2026-07-29 09:14

CHECKLISTS

General Report Comments: No found animals in the property the owner did agree that he was doing a tradionalslaughter on the 19 July 2026. He slaughtered 2 cows and 2 goats in the property. I had to educate him that he needs to apply a permission from the environmental health department and inform the SPCA when doing the slughtering so that we can monitor the slaughtering.
