CHECKLISTS

General Report Comments: Upon arrival the security officers at the gate contacted the unit numbe and the phone number was npt available. They tol me that tlhey are not allowed to give entrance without the owner of the premise 's permission. I had to contact Donny and he told me that he is not around and he comes back at night after 20;00 . The only day he can be available is on Monday 3 August 2026 at 09;00. He told me that the dogs are with 2 domestic workers who live inside the premises and there is always someone at the premises. His parents are overseas on vacation.
