General Report Comments: The dog was found in good condition and the owner did agree that his dog bite a child and they already sorted out the matter with the parents and the incident happened a month ago. I asked him to surrender the dog to the Sandton SPCA since the dog is aggressive and he told me that his dog does not go into the street it only the people who comes into the property without knocking. He also told me the dog knows all the people who stays in that property. I had to give a warning to fix his gate because it does not close well.
