INVESTIGATION REPORT

DATE: 20/12/2022 TIME: WARNING No

Access granted by: David

List animals seen:

Concerns	Yes	No
Water available		
Adequate shelter available		
Adequate space available		
Clean living environment		
Animal/s chained / tethered / caged		
Animal/s in good condition		
Veterinary problems / health concerns		

Note: Any concerns noted in this table must be explained in detail in the Inspector's report.

Report/Findings:

At the mall, the cat could not be seen and it was stated that the cat moved from one frame to the other. He advised that since the door frames have openings at the top, first step would be to ensure that there is no animal inside and then they must be sealed accordingly to avoid future issues.

Action taken: (i.e. warning, education, seize, etc)
