|-----------------------------------------------------------------------------------------------|-------------------------------------|-------------------------------------|
| Water available                                                                               | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| Adequate shelter available                                                                    | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| Adequate space available                                                                      | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| Clean living environment                                                                      | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| Animal/s chained / tethered / caged                                                           | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| Animal/s in good condition                                                                    | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| Veterinary problems / health concerns                                                         | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| Note: Any concerns noted in this table must be explained in detail in the Inspector's report. |                                     |                                     |

## Report/Findings:

The dogs were found adjacent to the gate of which appeared to be in good condition. In that point, the owner approached and we discussed the complaint. All the allegations made were denied by the owner and the dogs did not display any visible injuries or ill-health. They <sup>were found</sup> appeared to be friendly towards the society including the owner. No welfare concerns noted upon inspection for any intervention.

Action taken: (i.e. warning, education, seize, etc)

INSPECTOR: MPHO LEBETHE
