Report/Findings:

The property was visited whereby the above dogs were inspected
and found to be in acceptable condition. The other dogs were not
seen in the property being a business and it was stated that
they are around the same property probably underneath the trucks.
The ones that we saw and inspected were also hiding underneath
the trucks. The dogs belong to different owners and they were
fed, sheltered and watered sufficiently.

Action taken: (i.e. warning, education, seize, etc)
