Report/Findings:

The dogs were all inspected as the owner was contacted and gave consent. The dogs appeared to be in good condition upon visual assessment. They were sheltered, fed and watered adequately. In terms of the initial complaint whereby the dogs were reportedly abandoned, we determined that the owner goes to work in the morning and comes back in the evening. Such was also confirmed by the owner and the dogs are actually not abandoned.

Action taken: (i.e. warning, education, seize, etc)
