General Report Comments: The complaint in Grootfontein was attended to where-by 4 dogs were found in the property being 2 Jackrussels and 2 Chows. All dogs were noticed to be in acceptable condition as per visual assessment. There were no external parasites, old or new injuries noticed on all the dogs as observed. The matter of the chows being occasionally matted was addressed with Mrs Cloete who is the owner of the property and the dogs, to have them attended to as soon as such conditions appear.
