Comment:
Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: The complaint regarding the injured stray puppy was received and investigated. At the property, the puppy was handed to us and found to be severely injured and looked like the complainant attempted to treat the puppy. Further, we loaded the puppy and it was taken to the SPCA waitloo branch. Due to the extent of its severe injuries, it was later put to sleep

ACTIONS

NO ACTION REQUIRED
