General Report Comments: There are 3 dogs on the property
One Male Pitbul is on static chain about 3 metres long, there is no shelter for the male pitbull dog.
The female staffie is in an enclosure about 5 metres by 15 metres long.

One puppy free inside the property.
Owner said they are scared the 2 adult dogs might bite workers who were working in the property 5 workers thus why the owner chained the male pitbul and put the female in an enclosure.
The Puppy was bitten by the Male adult Pitbul in the face
Warning was issued for the owner to take the puppy to the Vet within 24 hours and to unchain the Male Pitbul to allow him to gain access to shelter.
The house owner said 2 adult dogs will go to New Castle to their previous owner as they cant look after the adult dogs.

I educated Mrs Bhengu on basic animal care, deworming, vaccinations, sterilisations, obedience dog training

Follow up to be conducted on the 9/07/2022 after 11 am to check and see if the Male Adult Pitbul is free inside the property, and to check if Puppy with swollen face has received Vet treatment.
