Comment:
Were Animals Seen on the Property: No

CHECKLISTS

General Report Comments: No one was home. There were some ethekweni staff and they said they have been there a week and dog is kept back of the property and it's not tied. It has whole of the back yard but they said that dog does bark at them everytime they grt water. They said dog in good condition. I have asked them to ask owner to phone me. I did try phone complainant but they are not answering.

ACTIONS

NO ACTION REQUIRED
