General Report Comments: 2 dogs were roaming free inside the property
Only one Boerboel was in an enclosure at the back about 30 metres long by 10 metres.
Owner said there are people doing house renovation on the property and the Boerboel likes to get out of the property as the gate is opened often.
There was water and shelter for the dogs.
Owner will make bigger kennels at the back because the Boerboel will grow big in few months coming.

I advised the owner to deworm the dogs, vaccinations, sterilisation to avoid dogs breeding
