General Report Comments: The dog was tied up to a tree with a 1,5 metres long static chain, and no shelter for the dog.
Owner said the dog digs under the fence and goes out to fight with the other peoples dogs.
Owner signed the dog over to spca as she cant afford to look after the dog.

No more dogs left on the property.
I educated the owner to do basic dog training for their dogs in future and socialise with them so that the dog is friendly and listens to them.
