General Report Comments: There is only one dog on the property.
Owner denied allegations of his dog biting Jack Russel twice he said it was not his Pitbull but instead a stray Rottweiler.
The dog stays on a running chain about 15 metres long because the back of the fence is broken.
Owner said the dog jumps out the fence at the back.
He said the fence will be repaired in January.
Owner said he unchains his dog when he is at home for the dog to roam free inside the property while monitoring the dog.
Follow up will be done to check the progress of the fence.
