General Report Comments: All 6 dogs were free inside the property.  
Owner said he doesnt chain his dogs anymore he has closed up the place where the dogs were jumping out.  
I educated the owner on sterilisation, problems of having too many animals but the owner refused to sign over some dogs to spca  
He said he will call me once he has money to sterilise the dogs.  
Follow ups will be done to check if dogs are not fighting and sterilisation
