|                                 |                        |                                                                |
|---------------------------------|------------------------|----------------------------------------------------------------|
| WATER AVAILABLE                 | Yes                    |                                                                |
| ADEQUATE SHELTER AVAILABLE      | Yes                    |                                                                |
| ADEQUATE SPACE AVAILABLE        | Yes                    |                                                                |
| CLEAN LIVING ENVIRONMENT        | No ***                 | Told them to clean more often                                  |
| ANIMALS IN GOOD CONDITION       | Yes                    |                                                                |
| VETERINARY PROBLEMS / HEALTH CO | No                     |                                                                |
| CONFINEMENT OF ANIMALS          | Caged - adequate space | Layers. But during the day they allowed to roam in the garden. |

General Report Comments: We did educate the owner. Door for Wendy house is always kept open and he said chickens are free roaming during the day. We told him to put windows in Wendy house for more ventilation and that he had to clean the Wendy house at least twice a week. We said we will be coming and doing checks.
