General Report Comments: Returned to the property on the 4March met with the owner , he said he keeps his dogs inside the house when he is not in.
There was food and water in the house.
There is also water outside the house.
The landlord came out while i was speaking to the dogs owner.he told him that he doesnt want him in that property anymore.he said if he sees his dogs outside he will let them out of the gate.
I ended up telling the owner that there is nothing that the spca can do because the landlord doesnot want him there.he must find another place before he loose his dogs.
